Date: 8th July 2016

Dear Mr Macholc,

Planning Application 3/2016/0488: Conversion of barn to 3 dwellings including new passing place and improvements to junction between Knowles Brow and Whalley Road, B6243; New Barn, Knowles Brow, Hurst Green BB7 9PT

Thank you for your consultation on the above planning application. As noted in the design and access statement the barn has benefitted from a number of applications and consents for its conversion to residential uses. As part of one of these a building record was made and has been incorporated into the Historic Environment Record. As such no further recording or other archaeological work is considered necessary as part of the present application.

Yours sincerely

Peter Iles
