Dear Mr Macholc,

Planning Application 3/2016/0560: Conservatory to rear of property; 3 Eastgate, Ribchester

Thank you for your consultation on the above planning application. The property is located a little to the west of Stoneygate Lane, which is thought to represent the line of a Roman road running away from the fort and settlement at Ribchester. The proposed conservatory is quite small in size and is likely to occupy an area of ground that has already been disturbed by the construction of the existing house. We do not consider that any formal archaeological work is justified as part of this proposal.

Yours sincerely

Peter Iles
