Dear Sir or Madam,

**NOTIFICATION UNDER THE ELECTRONIC COMMUNICATIONS CODE REGULATIONS 2003 TO UTILISE PERMITTED DEVELOPMENT RIGHTS
INSTALLATION & REPLACEMENT OF TELECOMMUNICATIONS EQUIPMENT AT: 17765/LAN0058
BANKFIELD QUARRY CLITHEROE, CLITHEROE QUARRY, CLITHEROE, LANCASHIRE, BB7 4QG**

Further to the approval of the original planning application, as part of 'EE Limited's ongoing commitment of keeping Local Planning Authorities informed of electronic communications development in the area, we can now provide details of the installation and replacement of telecommunications apparatus at the above location.

In accordance with Regulation 5 of the Electronic Communications Code (Conditions and Restrictions) Regulations 2003, this letter provides formal notification in writing of the development. No fee is required for the notification.

'EE Limited' is an Electronic Communications Code Operator by virtue of Section 106 of the Communications Act 2003. This provides it with the necessary legislative basis to operate an electronic communications network.

'EE Limited' intends to utilise its permitted development rights as identified in Part 24 of Schedule 2 of the Town and Country Planning (General Permitted Development) (Amendment) (England) Order 2015. The proposals contained herein constitute permitted development under Class A (a) of Part 16.

The purpose of this notification is to ensure that the local planning authority is made aware of the minor development. No formal full planning or GPDO application is required for this type of development and there is no right of refusal involved in such a notification.

The proposed development comprises the following:

- 1) Installation of 1 no. new equipment cabinet, whose cumulative volume does not exceed 90 cubic metres, within existing compound.
- 2) Minor ancillary works.
