The Environment Agency has no comment to make on the above application for the following reason:-

FRSA should have been applied	
It is not listed in the 'When to Consult the EA' doc or in the DMPO / GDPO	X
It is located within 250m of a historic landfill (but not on top of the landfill)	
Local Guidance should have been applied	X
Valid consultation but unable to respond due to workload	
Valid consultation as FRSA does not apply but development is minor/not high risk	

Kind regards,
