FAO Rebecca Halliwell Application 3/2016/0685 Hollins Farm Rimington BB7 4EJ

Rimington and Middop Parish Council have no objection in principle to the proposed lambing shed .
However we would comment on two issues :-

- 1) The online drawings were not clear and the proposed finish to the roof appears to read " Natural Grey ".
From existing buildings in the area natural grey can range from " Off White " through to " Storm
Cloud Black ".
A definitive colour should be stipulated in an effort to reduce to visual impact .
- 2) Comments have been made to the PC regards the delapidated buildings that appear to serve no
purpose
and are adjacent to the proposed site . Could there be negotiation or revision to improve the situation if a
new
building is to be permitted . It is understood that this topic has already been brought to your notice .

Best regards , R.A.Whittaker . Chairman R + M Parish Council .
