

Eric P Smith

Architect + Designer

Eric,

Having had a chance to look at the photos you sent me I've come to the conclusion that, as the building retains little evidence for alteration to the elevations, and the interior is devoid of anything of interest, save for the queen post truss which is to be retained, a detailed record is no longer warranted.

I would in this instance be happy to accept a set of the photos you have sent me (plus any others you might have taken), but minus the text that is currently on them, as the record. Once I have received the new set I would then be in a position to contact the Borough Council with a recommendation that condition no. 4 can be discharged.
