FAO A Dowd

Dear Mr Macholc,

**Planning Application 3/2016/0757: Discharge of conditions 5 (historic buildings assessment), 6 (bat survey mitigation) and 7 (greenhouse specification) of planning permission 3/2016/0108; The Dower House, Park Road, Gisburn BB7 4HT**

The above application is accompanied by a brief assessment of the historical significance of a short section of internal wall within The Dower House. We would agree with the conclusion that the section of wall is likely to be part of a later scheme of alteration and not original to the construction of the rooms now used as a kitchen and corridor. We would not object to the removal of the section of the wall as proposed, but would suggest that its construction method and materials are documented photographically as part of the removal process.

Please note that the above comments have not benefitted from a site visit.

Yours sincerely

*Peter Iles*
