For the attention of Victoria Walmsley.

Proposal:	Proposed replacement garage
Location:	1 Tithe Barn Cottage Pendleton Road Wiswell BB7 9BZ
Grid Ref:	374815 - 437687

With regard to your letter dated the 18th August 2016

The Highway Development Control Section does not have any objections regarding the proposed replacement garage and are of the opinion that the proposed development should have a negligible impact on highway safety and highway capacity in the immediate vicinity of the site.

The Highway Development Control Section recommends the following condition as part of the formal planning decision: -

1. Notwithstanding the provisions of the Town and Country Planning (General Development Procedure) Order 1995 and the Town and Country Planning (General Permitted Development) (Amendment) (No 2) (England) Order 2008, or any subsequent Orders or statutory provision re-enacting the provisions of these Orders, the garage area and music room shown on the approved plan shall be maintained as such and shall not be converted to or used for living accommodation without the prior written approval of the Local Planning Authority in consultation with the Highway Authority. Reason: To allow for the effective use of the parking areas.

If you have any questions please do not hesitate to contact me.

Yours sincerely

Stewart Gailey
Highway Development Control Engineer
