**Subject:** Planning application comments from Wilpshire Parish Council

Planning application no 3/2016/0765 Two detached dwellings, including new vehicular access to Whalley New Road at 68-7 Whalley Road Wilpshire.

WPC has no objection in principle to the proposed development.

WPC would like to see some element of planting, consistent with adequate visibility splays, included in the scheme when other matters are being considered to give some protection to the current, leafy, street scene and also ask that the Countryside Officer visit the site to ascertain whether any of the trees are worthy of TPOs.

Kind regards

Lesley Lund  
Clerk to the Council
