Dear Sir / Madam

My wife Linda and myself have known Kevin and Heather for over forty years.

As I am a qualified electrician by profession, I have carried out numerous works on their current property, Dairy House over the last 13 years.

Some of this work has been carried out in the garden area as well as the temporary wiring of 3 large marquees for their daughter's wedding, also in the rear garden.

We have also enjoyed many social visits, sharing the idyllic views and can concur that the garden area as shown on the plan PL1, has been the same size throughout these moments.

Yours faithfully

To Whom it may concern

Whilst my sister and brother-in-law, Heather and Kevin Naylor have lived at Dairy House Farm, Goose Lane, Chipping since 2003 the garden area has always been the size it is now, with large established evergreen conifers to the rear boundary.(as shown on PL1)
