FAO A Dowd

Dear Mr Dowd,

Planning application 3/2016/0777 - Wordsley Farm, Wordsley Road, Chipping

The above application includes provision of/refurbishment of a bathroom and works to a loft (application form) or barn (Heritage Statement) but no plans are provided showing where these works are proposed nor how the proposed works will impact the Listed Building. As such it is impossible to advise on whether the works are acceptable and if any mitigation works are required. Could the applicant be requested to provide further information please.

Yours sincerely

Peter Iles
Lancashire Archaeological Advisory Service
