Dear Sir or Madam,

**Planning application 3/2016/0958 - Cowley Brook Farm, Longridge**

We wrote to you recently with regard to application 3/2016/0959 for the same site as the above planning application, recommending that a building record be completed prior to works starting. This application is for a much-reduced scheme and it is considered that the scale of the works would not justify such recording.

Yours sincerely
