

**Proposed erection of 10 detached dwelling houses on  
Land at Chatburn Old Road, Chatburn, Nr Clitheroe  
Application Ref No. 3/2016/0748  
Discharge of planning condition No. 3 – External Materials  
For JJ Construction (NW) Ltd**

**Pl. 1** Photograph showing buff textured natural stone for all external walls which would be laid to random coursed varying from 65, 90, 115 and 140mm courses (no quoins), below samples of dressed natural buff stone for all window / door surrounds, string coursing and chimney cap detailing. It also shows how this would appear next to the proposed natural blue slate (Spanish) for all pitched roofs (shown behind the stone).

**Pl. 2** RAL 7022 powder coated aluminium window & patio/ garage doors, rain water goods, roof soffits and barge / fascia boards. Also this is the colour for the paint finish for external personnel/ front doors and frames.

**Actual samples are available on request.**
