For the attention of Adrian Dowd.

Proposal:	Replacement of 2 sash windows to front elevation and 10 casement windows to rear elevation.
Location:	15-17 York Street Clitheroe BB7 2DH
Grid Ref:	374512 442024

With regard to your letter dated the 23 November 2016.

The Highway Development Control Section does not have any objections regarding the proposed replacement of 2 sash windows to front elevation and 10 casement windows to rear elevation and are of the opinion that the proposed development should have a negligible impact on highway safety and highway capacity in the immediate vicinity of the site.

If you have any questions please do not hesitate to contact me.

Yours sincerely

Stewart Gailey
Highway Development Control Engineer
