Afternoon Stephen,

Whilst I would raise no objection to the proposal on highway grounds I have attached my response to a previous application for the site in which I noted that the access track had not been surfaced. Having visited the site recently, the access on to Old Langho Road has still not been surfaced .

Afternoon Stephen,

On the basis of the information provided I am assuming that both the garage accommodation and the stables are ancillary to the main dwelling and on that basis I would raise no objection to the proposal on highway grounds. However I noted on a visit to the site that the Planning Condition requiring the appropriate surfacing of the site access attached to the planning permission for 3/2013/1065 ( Condition 3) has yet to be implemented.
