Subject: application 3/2017/0023

Billington and Langho Parish have no objections to the planning application 3/2017/0023 but concern has been raised regarding the footpath provision. The footpath which accesses the site from the Petre Arms car park has disappeared from the drawings, could planners please confirm that the footpath will remain in place please?

kind regards
Rachel

Clerk to Billington and Langho Parish Council
