*Good afternoon,*

**RE: 3/2017/0184**

*This consultation response seeks to draw the Council's attention to impacts associated with the above development and propose mitigation for these impacts through a developer contribution.*

*The education contribution is directly linked to the development and would be used in order to provide education places within a reasonable distance of the development (within 3 miles) for the children expected to live on the development. Failure to secure the contributions sought would mean that the County Council cannot guarantee that children living on this development would be able to access a school place within a reasonable distance from their homes.*

*An education contribution is **not** required at this stage in regards to this development.*

*This response is based on the latest information available at the time of writing.*

*Please could you provide us with feedback in terms of the decision, any S106 agreement and if refused, any subsequent appeals to: [Schools.Planning@Lancashire.gov.uk](mailto:Schools.Planning@Lancashire.gov.uk)*

*Many thanks*
