6. Condition(s) - Removal

Please state why you wish the condition(s) to be removed or changed:

Condition 5 currently requires "All the external works of the development hereby permitted shall be completed before the expiration of three years from the date of this permission".

Due to costs associated with the works and the need to wait for the LEADER grant for farmers wanting to diversify into tourism (which is not open for applications until May / June 2017 with an earliest decision being January 2018), an extension of time as part of Condition 5 will enable the applicant to undertake the works once grant funding is available. Based on obtaining the grant money in January 2018, the proposed changes to the condition will give the applicant 18 months to complete the external works.

An extension of time to complete the works for a further 2 years will still enable the Local Planning Authority to retain effective control over the development.

If you wish the existing condition to be changed, please state how you wish the condition to be varied:
