Subject: 3/2017/0369 Edisford Bridge Farm - FAO Steven Kilmartin

Hello,

Sorry for the late response, we discussed this application at our meeting of 30/5 and have no comment to make other than to express our disappointment that yet again we are being asked to retrospectively approve commercial activity which has been started with scant regard for the planning procedures of RVBC. We have no comment other than this.

Best Regards
Michael Ainsworth
Clerk to Great Mitton & Bashall Eaves Parish Council
