Dear Mr Macholc,

Planning Application 3/2017/0495: Re-slating of pitched roof area behind parapet wall; Castle Museum, Clitheroe Castle, Castlegate, Clitheroe BB7 1AZ

Thank you for your consultation on the above planning application. We have looked at the details of the proposals and do not consider that there will be any significant impacts on the archaeology of the site.

You may wish to consult Historic England with regard to the impact on the Scheduled Monument and the Registered Park, if you have not already done so.

We are content to leave consideration of the impact on the Listed Building, Conservation Area, etc. to the Conservation Officer.

Yours sincerely

Peter Iles
