Dear Madam

Proposal: Construction of new agricultural building and feed silo
Location: Plane Tree Farm, Chipping Road, Chaigley BB7 3LT
Grid Ref: 367732 441971
Applicant: Mr A Bullock

Many thanks for your notification of request dated 23rd June for planning permission reference 3/2017/0510 at the above address.

The proposed development, at an approximate distance of less than 35metres, appears to be located in the inner zone of the above Major Accident Hazard Pipeline as defined by the HSE development control guidelines (PADHI – HSE’s Land Use Planning Methodology document).

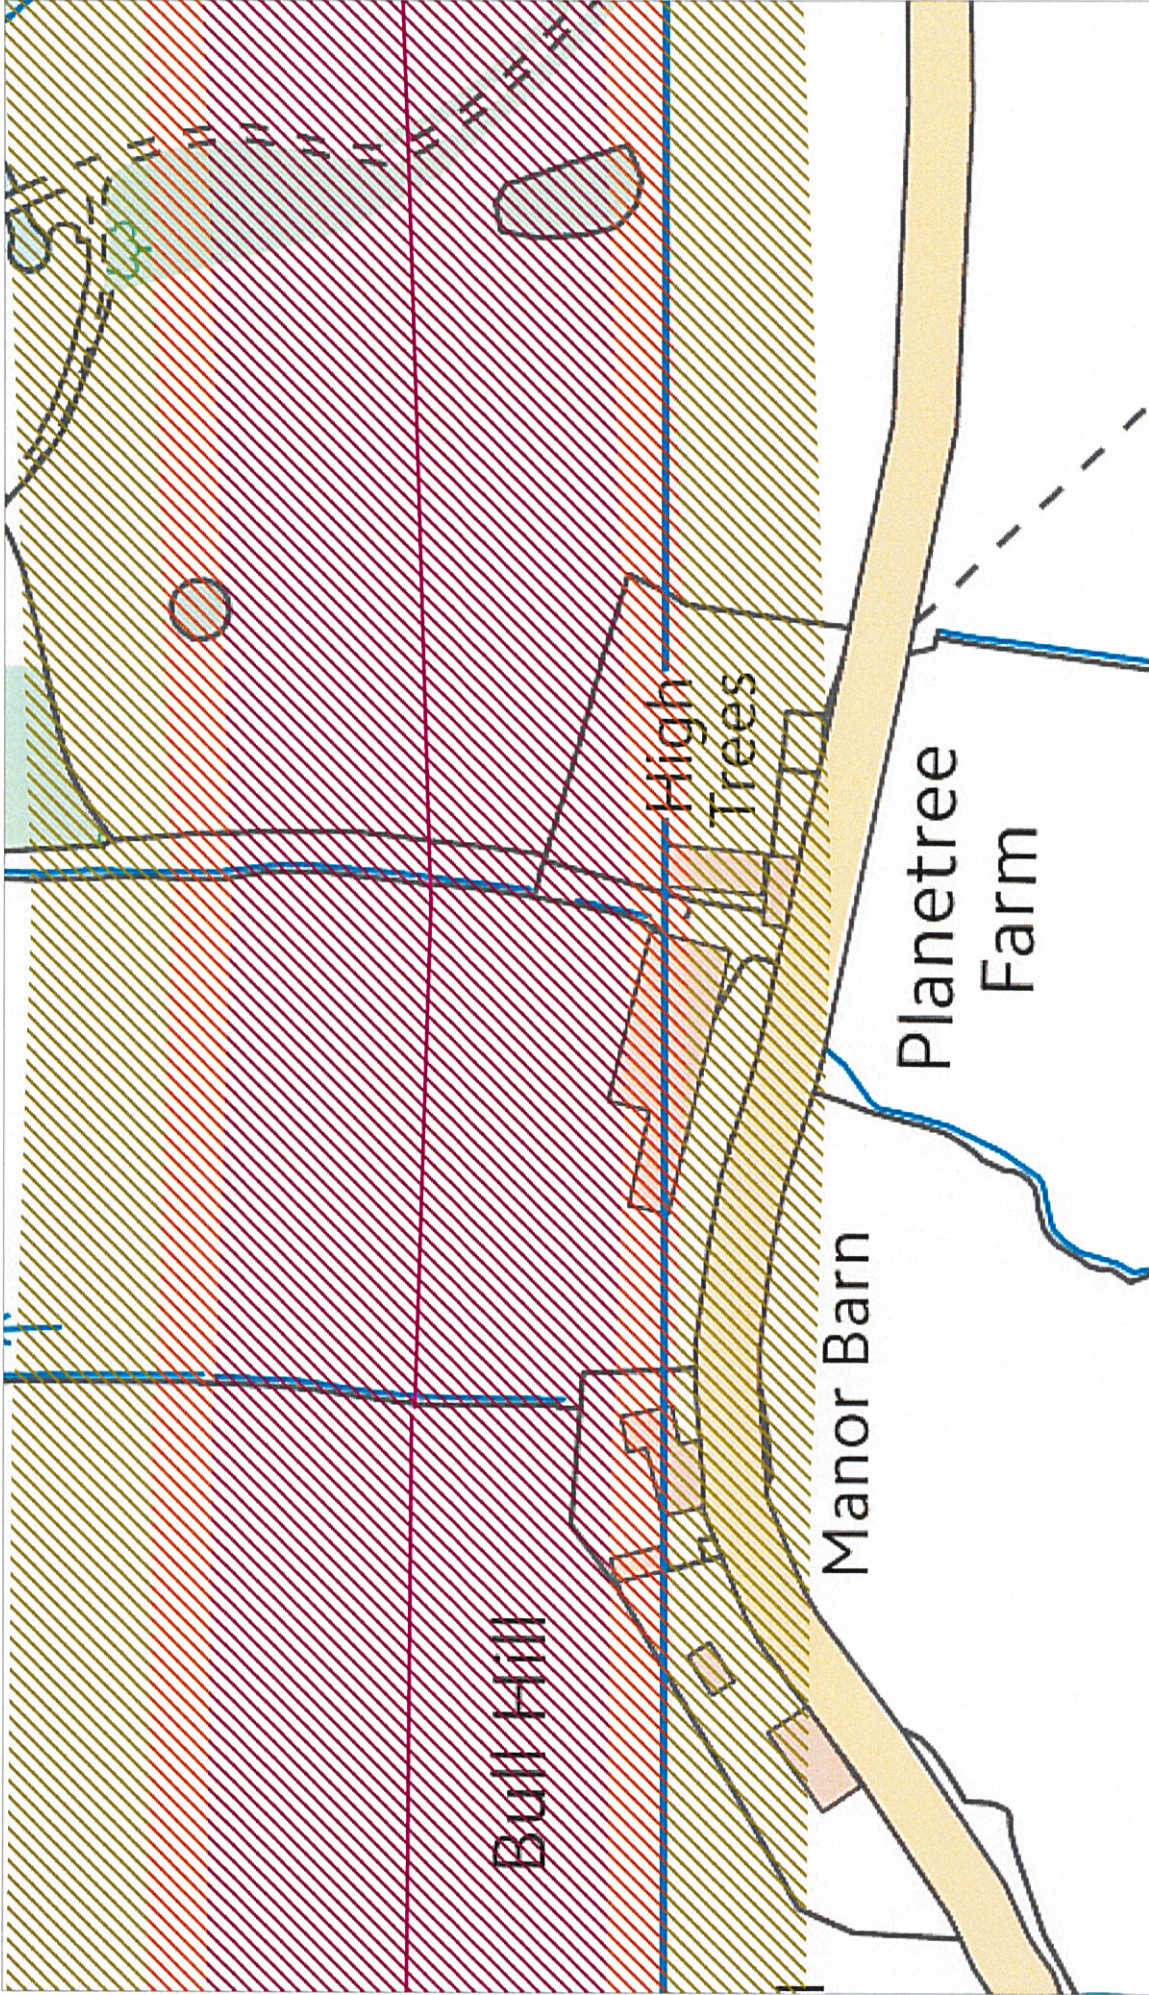

In terms of the safety and engineering integrity of the pipeline I would advise that the developer must consult SABIC should any work within 50 metres (notification zone as required by operators of Major Accident Hazard Pipelines) is to be carried out, as this would need approval from ourselves before any work is commenced.

Yours faithfully
