Dear Mr Macholc,

Clitheroe Hospital, Chatburn Road, Clitheroe

I am writing to inform you that we have carried out an initial assessment to consider whether the above building should be added to the List of Buildings of Special Architectural or Historic Interest.

The Secretary of State for Digital, Culture, Media and Sport has asked us to consider this application in our role as the Government's statutory adviser on the historic environment with responsibility for listing. We have now considered the application and completed an assessment of the building based on the material provided. The Secretary of State has decided not to add The Former Clitheroe Union Workhouse to the List at this time.

Please follow the link below to download a copy of the report setting out the reasons for this decision.

If you consider that this decision has been wrongly made you may contact the Department for Digital, Culture, Media and Sport within 28 days of the date of this letter to request that the Secretary of State review the decision. An example of a decision made wrongly would be where there was a factual error or an irregularity in the process which affected the outcome. You may also ask the Secretary of State to review the decision if you have any significant evidence relating to the special architectural or historic interest of the building which was not previously considered. Further details of the review criteria and process and how to request a review are contained in the annex to this letter.

Please do not hesitate to contact me if I can be of any further assistance. Further information can also be found on our website at www.historicengland.org.uk.

Yours sincerely

Annex 1

-

Review Criteria and Process

A review will only be carried out in the following circumstances:

(1) there is evidence that the original decision has been made wrongly. Examples would include:

- where there was a factual error, eg. the wrong building was listed; or
- where there has been some irregularity in the process which has affected the outcome, eg. relevant considerations were not taken into account or irrelevant considerations were taken into account.

(2) there is significant evidence which was not previously considered, relating to the special architectural or historic interest of the building, as set out in the Planning (Listed Buildings and Conservation Areas) Act 1990. An example would be where new evidence relating to the date of a building has been discovered which might make a material difference to the architectural or historic interest of the building.

Having conducted a review, the Secretary of State will either affirm or overturn the original decision. It is important to understand that the original decision will stand until the Secretary of State has made a decision on whether the original decision should be affirmed or overturned. If the original decision is overturned, this will not have retrospective effect.

How to request a review of a listing decision

Reviews are carried out by the Department of Digital, Culture, Media and Sport and review requests should be made on the Department's 'Listing Review Request Form'. The Form is accompanied by Guidance to assist you in making a review request.
