| <b>General Comments/Observations</b>    |  |
| <b>1.1</b>                              | The planned application is for a barn conversion.  |
| <b>Suggestions/Mitigation</b>           |  |
| <b>2.1</b>                              | No comments in general of the application, but there is no indication on the location of the Klargester sewage package treatment plant. As there a water course near by the Environment Agency should be informed of the use of the Klargester for sewage treatment. |
| <b>Conclusions/Suggested Conditions</b> |  |
| <b>2.2</b>                              | The above observations have been provided on the basis of the level of information submitted and the comments contained within this response represent officer opinion only, at the time of writing, without prejudice.  |
| <b>2.3</b>                              | Should you be minded to approve the application, notwithstanding other considerations, I would suggest that the following conditions be attached should you feel they are relevant and justified: <ul style="list-style-type: none"> <li>• No comments</li> </ul>    |
