Hi Adrian

Planning Application No: 3/2017/0763
Grid Ref: 374444 441974
Proposal: Change of use of part of ground floor from public house to hot food takeaway and alterations including the creation of a new door entrance.
Location: White Horse Inn York Street Clitheroe BB7 2DH

With regard to the above planning application to use part of the former White Horse Inn, York Street as a hot food takeaway. Presently there is a Taxi Bay close to the premises and limited waiting directly outside the proposed frontage along with other available parking close. As this is the case I would not be raising objections on highway grounds with regard to the change of use. I understand that there is also an application for illuminated signs, this issue will be dealt with separately.

Regards
Chris
