Dear Mr Macholc

Planning Consultation 3/2017/0775 - Pendle View Fisheries, A59, Barrow, BB7 9DH

Barrow Parish Council has considered the above application and has no objections to the proposed changes. However, there are concerns that since the original planning consent, Barrow has experienced issues with flooding and a water management scheme for the ponds needs to be agreed to reduce the flood risk downstream in the village. The management scheme should be formulated in accordance with recommendations by LCC's lead flood team.

Yours sincerely

Mrs Victoria Wilson
Clerk to Barrow Parish Council

Good afternoon,

Please can we have your comments on the above application?

(please respond to planning@ribblevalley.gov.uk FAO John Macholc)

The application is for the variation of condition two from planning permission 3/2015/0426 to allow layout revisions in order to retain existing pond and to revise the locations of the lodges and cabins to the north west of the site.
