Dear Sirs

The Parish Council considered this matter at its meeting on 27 Sept 2017. The Parish Council felt unable to come to any definitive conclusions about the nature of the gates which were the subject of the application, feeling that there was very little detail given in either the plans or application form. Given that the proposed gates were located directly opposite to another residence, this was unfortunate. Whilst the Parish Council has no particular reason to be concerned about the proposal, it was felt that the inclusion of more descriptive text to illustrate the proposed gates would have assisted its discussions.

Many thanks

Andy Glover  
Clerk to West Bradford Parish Council
