Hi John

Planning Application No: 3/2017/0997 and 3/2017/0996

Grid Ref: 374511 442043

Proposal: Refurbishment of existing dwelling, demolition of existing workshop and conservatory and erection of single and two-storey extensions to side and rear of dwelling. Erection of new freestanding workshop.

With regard to the above application. Thanks for the revised site plan indicating the third parking place. This will now meet the parking requirements for the development. As this is the case I will not raise objections to this application on highway grounds.
