Ivan,

I confirm that the materials specified are acceptable.

John

John,

**Your Ref. Conditions in application ref. 3/2017/0997: item 3 external materials:**

as discussed I attach the photographs of the materials used. The extension roof finish is natural welsh slates to match the existing roof. The stone for the extension is an

ashlar sandstone. The stone and quarry source is Moordale Millstone Grit quarried near Edenfield Rossendale. (the stone specification is attached) The existing cement pebbledash render on the existing house is to be taken off and the walls re-rendered with breathe-able lime render. I would appreciate your confirmation that the external materials used are acceptable.

regards,

**Ivan Wilson**

IHBC, AABC, RIBA.

**Conservation Architect / Director**
