Subject: Comments from Wilpshire Parish Council on Planning Application Consultations

Follow Up Flag: Follow up
Flag Status: Flagged

Wilpshire Parish Council would like to make the following comments:

PLANNING APPLICATION 3/2017/1016 proposed extension to an existing covered midden/manure store at Parsonage Farm, Wilpshire

WPC – no objection we would want to see some screening/landscaping as a condition of any consent being given as the premises are in a conspicuous location in an area of high landscape value.

PLANNING APPLICATION 3/2017/1040 insertion of three new window openings and conversion of garage to habitable room including alterations to existing opening AT Wilpshire Lane Cottage, Vicarage Lane, Wilpshire.

WPC – No objection although would not want the existence of the proposed 'end' window to be used to affect the official PROW which runs past it.

Kind regards

Lesley Lund

Clerk to the Council
