Subject: Planning App 3/2017/1021 Susie Cottage, Rimington

Dear Madam

Further to my earlier e-mail please be advised that Rimington Parish Council do not wish to formally object to the above application but do wish to raise concerns regarding there being insufficient car parking space for the size of dwelling proposed. Additionally, access to and from the property is on a difficult stretch of lane so there could be dangers to other highway users caused by increased usage of the access point.

Yours faithfully

Cathy Holmes
