Hi Adam
Planning Application No: 3/2018/0025
Grid Ref: 376500 443538
Proposal: Change of use of agricultural land to extend existing car park.
Location: Shackletons Garden Centre Ltd Clitheroe Road Chatburn BB7 4JY

With regard to the above planning application to extend the present carpark provision for the Shackletons Garden Centre. The planning statement outlines that the parking area will be of a porous surface with paved bay making. The exit for the Car Park will be through the present provision on to Clitheroe Road. I am satisfied that this situation would be acceptable and therefore I would not be raising objections to the proposal on highway grounds.

Regards
Chris
