Good morning,

Thank you for re-consulting the Lead Local Flood Authority (LLFA) on the above application. In our previous response dated 17 July 2018, we identified a number of pieces of information that were needed in order for us to provide you with a substantive response. This information still doesn't appear to have been provided by the applicant and therefore we are still unable to provide you with a substantive response.

Many thanks,

Chris

Since our original consultation on this application, back in June, we have now received a new drainage plan from the applicants. Please will you let John Macholc have your comments on the new information? (Please respond to planning@ribblevalley.gov.uk FAO John Macholc).

The application is for the erection of 27 light industrial units, 8 office units and associated access, parking and ancillary works.

Here is a link to view the new information on our website
