Dear Mr Kilmartin

At our Parish Council meeting last night, we reviewed the application 3/2018/0350 and we are writing to advise you that the Parish Council approved the original application by Mr Gornall based upon the property being a holiday let to support tourism in the area. We would not have approved if we believed it was going to have the purpose of a private home. As such, the Parish Council reject the application for change of use.

Kind regards,

Nicky Donnelly  
Chairperson  
Chipping Parish Council
