Afternoon Harriet,

Looking at this application and it is a little confusing regarding the land use that is being applied for. Is it as a bridge club with a previous use as a car sale or vice versa. If it is the former then I would need to be clear on the extent of the car sales are proposed in order that a maximum number of cars can be specified in any permission that may be granted. This is to prevent overspill into the adjacent amenity areas and to maintain manoeuvring areas and customer parking provision
