Dear Mr Macholc,

Planning Application 3/2018/0583: Application for a variation to the design of the atrium roof lantern. The application comprises the substitution of the previously consented Victorian styled lantern, retaining the octagonal shape and its central location within the new atrium space. Standen Hall, Worston Road, Clitheroe BB7 1PR

Thank you for your consultation on the above planning application. The application would appear to have no archaeological implications and merely alters the visual impact of the previously-consented roofscape. We would not wish to offer any comments and would defer to the expertise of the Council's Conservation Officer in this matter.

Yours sincerely

Peter Iles
