3/2018/0647 Braemar House off Somerset Avenue Wilpshire

Wilpshire Parish Council feel that the proposal would be overbearing as two significantly enlarged elevations will be very dominant. On one elevation it would have the appearance of a four storey building. There would be a large increase in the buildings footprint.

We would also like the officer to give consideration to the impact the proposal would have on the footpath to the north.

Kind regards

Lesley Lund

Clerk to the Council
