Morning John,

Whilst I would raise no objection to the proposal on highway grounds I would need clarification of the position of the "New Hedge Planting" as indicated on the submitted plan. It is unclear whether the wavy lane shown at the back of the footway is delineating the extent of the grass verge or the position of the new hedge planting. If it is the latter then this would be encroaching within the visibility splay which would not be acceptable

Dave Bloomer
