The Whitewell Estate

New Laund Farmhouse, Whitewell

Design and Access Statement

New Laund Farmhouse, Whitewell

Means of Access

All existing pathways and doorways will remain as existing and the design of the anchor system will not affect the layout of the property internally or externally. The current occupiers will not be affected by the works.

The public right of way through the farm yard will be kept open for the duration of the works because the farmhouse is off set within its own boundaries.
