Dear Mr Birkett

The Chipping Parish Council met last night as we discussed the application by Mr Wright 3/2018/0715 to have a variation on condition 14 to increase the number of days from 90 to 180.

Chipping Parish Council do not agree with the request to increase the number of days and believe the existing limit of 90 days is adequate.

Kind regards,

Nicky Donnelly

Chair Chipping Parish Council
