Morning Rebecca ,

Whilst I would raise no objection to the proposal on highway grounds there is insufficient detail provided regarding the formation of the site access onto Whalley Road and the achievable visibility splay. The speed limit on Whalley Road is set at 30mph , however a recent traffic survey (June 2017) located between Anderson Road and Hollies Road recorded 85thile speeds of 38mph eastbound and 37 westbound and these speeds would therefore determine the required visibility splays.
