REFUSE & RECYCLING STATEMENT

CONVERSION OF REDUNDANT BUILDING
TO DWELLING HOUSE

Submitted on behalf of:
Mr. Z. Collinge

August
2018

The location of the application site already benefits from regular waste and recycling services from Ribble Valley Borough Council, as illustrated for the adjacent property in the photograph below.

On the site itself, a dedicated area has been identified to the west elevation of the property, which in itself will be screened by hazel or willow panel fencing.
