Details

CASTLE GATE 1. 5295 (South-West Side) ----- Clitheroe Castle SD 7441
1/2 19.5.50. GV

2. A castle noted in Domesday Book. Consists principally of a small C12 square tower keep with flat corner turrets, 1 of which contains a staircase. Entrance, originally into the 2nd storey, is now by breaches into the ground storey. All floors appear to have been of wood. The keep is advantageously placed on a steep crag. The inner bailey must have been to the South and fragments of ancient walls and masonry are to be seen in the park and incorporated into buildings, stables and offices (qv). AM.

Outbuilding and Stable block form a group.
