

Note:
Retaining structure not shown. Refer to civil engineering drawings for further information. Where a cribblock wall is indicated on the civil engineering drawings the proposed timber fences will be located on the high side of the retaining wall.

See drawing AA7403 2014 for boundary types

The contractor is responsible for checking dimensions, tolerances and references. Any discrepancy to be verified with the Architect before proceeding with the works. Where an item is covered by drawings to different scales the larger scale drawing is to be worked to.

CDM REGULATIONS 2015. All current drawings and specifications for the project must be read in conjunction with the Designer's Hazard and Environment Assessment Record

Do not scale drawing. Figured dimensions to be worked to in all cases.

All intellectual property rights reserved.
