

The contractor is responsible for checking dimensions, tolerances and references. Any discrepancy to be verified with the architect before proceeding with the works. Where an item is covered by drawings to different scales the larger scale drawing is to be worked to.

CONTRACT REGULATIONS 2015. All current drawings and specifications for the project must be read in conjunction with the Designer's Hazard and Environment Assessment Record.

NOTES This drawing is based on the following information:
 • Ordnance Survey
 • Topographical Survey - 10002-106_2017 Rev B
 • Transfer from - CL_WL_016
 • Floods and Water Main As Built - URB/C313/WH/001
 • Aspects - RE066-2006-G
 Please see Civil Engineers drawings for proposed levels and retaining structure information.
