Follow Up Flag: Follow up
Flag Status: Flagged

Application for the extension of the entrance hall to south and north, and the addition of a storey over it, with the introduction of a glass link between original house and extension. Extension of the music room and rebuilding sections of the garage, as well as modifications to their roofs. The removal of dormers to roadside elevation, to be replaced with roof lights and replacing the windows to garden the elevation. Relocation of door in lean-to side elevation to a glazed door to rear elevation. Internal alterations.

Good morning John

I would raise no objection towards the proposal on highway grounds

Note

Based on LCC's maximum parking standards the provision of 3 parking spaces would be sufficient for the proposal.
