Follow Up Flag: Follow up
Flag Status: Flagged

Proposed single storey extension to the rear, first floor extension to the side and new single storey workshop with decked area.

Good morning Rebecca

The proposal is for a single storey extension to the rear, first floor extension to the side and new single storey workshop with decked area.

The retention of three bedrooms is proposed as a result of the extensions and alterations and as such the parking provision will remain the same.

Overall, I would raise no objection towards the proposal on highway grounds.
