5. Description of the Proposal

Please describe details of the proposed development or works including any change of use.

If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.

The church has recently suffered from vandalism to the stained glass windows along the north elevation due to air rifle pellets. We are proposing to replace the current unsightly and corroded wire guarding with UV stabilised protective polycarbonate glazing. The existing steps to the boiler house are without a hand rail and are hazardous to use. The proposal is to add a hand rail to aid access and improve safety. The existing emergency exit ramp features an open hand rail on the open side. The proposal is to improve the safety along the existing ramp.

Has the work or change of use already started?

Yes No
