Dear Adrian Dowd,

**Conversion of the fives court to a learning hub, ancillary to the retreat centre.
Stonyhurst College, Clitheroe, Lancashire, BB7 9PZ**

Thank you for consulting the SPAB on proposals for the conversion of the fives court to a learning hub and retreat centre at the above site, which contains multiple listed buildings.

The CI6th, CI7th early CI8th work to the main College buildings means that the property falls within the SPAB's period of interest despite later CI8th and CI9th alterations and additions. The mid CI9th date of the five courts however is outside of the period that the SPAB have much involvement unless it has a direct impact on the setting of an earlier structure. As the five courts are some distance from the main College buildings the SPAB therefore do not wish to comment in this instance.

Yours sincerely,
