Dear Sir/Madam,

Please see attached our re-submission application following planning permission 3/2017/1130.

We have slightly amended the first floor rear elevation, to enable the rear dormer section to feed into the original roof. This is the same at the recently approved application at 1 Ridge Court, and allows a more cohesive design approach.

We have also included final materials along with the bat method statement, which were both required by conditions 3 and 5 on 3/2017/1130.

Should you require any further information, please do not hesitate to contact us.

Yours faithfully,

Katie and John McDonald
