Whilst processing the above application, I found that the property does not benefit from PD rights, as they were removed in February 1999 with a previous planning application (3/1998/0833). I have attached the relevant decision notice and location plan.

This means that Mr Sugden won't be able to use the prior notification for larger home extension procedure, and he will need to submit a householder application form together with the fee of £206.00 in order to apply for permission for the extension.

11. Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

Yes No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

12. Ownership Certificates and Agricultural Land Declaration

* 'owner' is a person with a freehold interest or leasehold interest with at least 7 years left to run. ** 'agricultural holding' has the meaning given by reference to the definition of 'agricultural tenant' in section 65(8) of the Act.

NOTE: You should sign Certificate B, C or D, as appropriate, if you are the sole owner of the land or building to which the application relates but the land is, or is part of, an agricultural holding.
